## Principles

### **Roles and functions of a Local Authority**

The Local Authority shall be a voluntary group that provides advice and recommendation to WDRC on their communities' issues. Recommendations made at Local Authority meetings are not 'final' decisions as Council needs to decide on all issues or requests from all communities.

The function of a Local Authority include:

- a) To involve local communities on issues related to local government;
- b) To ensure that local communities are given an opportunity to express their opinions on questions affecting local government.
- c) To allow local communities a voice in the formulation of policies for the locality as well as policies for the area and the region.
- d) To take the views of local communities back to Council and act as advocates on their behalf.
- e) To take Council information and decisions back to the community.
- f) To contribute to the development of the relevant Regional Management plan and the relevant Regional Plan.
- g) To provide a representative of the Local Authority for employment selection advisory panels in relation to managerial positions in the Local Authority area.

### **Membership**

The size of the Local Authority should reflect the community size and structure representing key groups in the community. The membership of the Local Authority will include community members, Ward Councillors, Deputy Mayor and Mayor of WDRC. The number of community members that a Local Authority should have is a minimum of six (6) and up to a maximum of fourteen (14).

Where a vacancy exists the CEO will call for nominations as soon as practicable. Nominations will be advertised throughout the local community and on Councils website and Facebook page.

Nominations will remain open for at least 21 days.

People nominated for Local Authority membership are to be approved by the Council at the next Ordinary Council meeting after nominations have closed.

### **Period of membership**

Local Authority members will be appointed for the term of Council being four (4) years. Once the new Council is elected, Council will call for new nominations. The previous members will be eligible to apply for new Local Authority membership.

### **Eligibility for membership**

Community residents over 18 years of age who live in the ward, for the majority of the time, can nominate or be nominated for the Local Authority membership.

To become a Local Authority member, the candidate needs to fill in a Local Authority nomination form. Nomination forms are available from the Community Service Manager (CSM). The completed nomination form can be handed directly to the CSM or tended at the next Local Authority meeting. The nomination form will then be given to the Governance and Quality Assurance officer and will be submitted to Council for them to deliberate on at the next Ordinary Council meeting.

Council will have the final say on Local Authority membership.

### **Membership termination**

Local Authority members stop being members if they:
