**7 MEETING ROOM UPGRADE**

The RSM obtained a scope of works for the Meeting Room Upgrade and a progress report of works done to date shows the Meeting Room upgrade has been completed. The RSM obtained a quote from STC FarmBuild for the supply and installation of a standalone electric stove.

**RECOMMENDATION**

That it be a recommendation to Council that the Local Authority allocates the amount of \$2,735.50 for the supply and installation of a stand alone electric stove for the meeting room.

Moved: John Paul Wodidj  
Seconded: Amy Narburup  
Carried:

**8 REMOTE AIR SERVICE SUBSIDY SCHEME**

It is requested that the Council apply to the Australian Government Department of Infrastructure and Regional Development to have regular air services reintroduced to Palumpa and Peppimenarti. The Federal Government provides a subsidy to air companies to fly to remote communities and it

will not cost the Council any Funds for the air services nor will they receive funding from the Government for the Scheme.

If Palumpa and Peppimenarti are put back onto the scheme, the Government will call for tenders from air companies and will subsidise flights to the communities. Currently we have one air service delivering mail into Palumpa and Peppimenarti each week and they do not take passengers

**RECOMMENDATION**

1. That it be a recommendation to Council that an application to the Australian Government Department of Infrastructure and Regional Development for regular air services to be reintroduced to Palumpa and Peppimenarti be submitted.

Moved: John Paul Wodidj  
Seconded: Moses Wodidj  
Carried: Unanimously

## WEST DALY REGIONAL COUNCIL Agenda for Local Authority Council Meeting 20 June 2017

### 10 CHIEF EXECUTIVE OFFICER'S REPORT

I am delighted to have commenced in my role as the Chief Executive Officer of the West Daly Regional Council and reconnect with the many people from the region that I have been involved with in the past.

Having met with quite a number of Council staff, stakeholders and community members across most of our communities, I am very thankful for the warm welcome and really encouraged by the aspirations to improve service delivery and opportunities in our region.

It is a very busy time for Council at the moment in preparing our draft Regional Plan and Budget, which sets out our goals and the strategies for what we want to achieve across our communities during the 2017-18 financial year.

The draft Regional Plan and Budget presents an opportunity to bring together the priorities for local service delivery, local infrastructure and local project priorities and Local Authority members play a very big part in delivering this local voice to Council.

Of course, all local priorities must be balanced across budget constraints and competing priorities but wherever possible, local priorities, as determined by Local Authorities in consultation with Council and stakeholders, will be delivered.

In addition to the draft Regional Plan and Budget, I would like to take this opportunity to raise awareness about the next local government general elections, which will be held in August 2017 across the Northern Territory including the West Daly Regional Council.

In the first instance, for all residents over the age of 18, I encourage you to enrol to vote or if you have previously done so, make sure that your enrolment details are up to date. Enrolment closes on 25 July 2017.

Secondly, if you are interested in nominating to be a member of Council, I encourage you to read through and discuss the information for candidates and election process details. Nominations close on 3 August 2017.

All relevant details are provided on the NT Electoral Commission's website at [www.ntec.nt.gov.au](http://www.ntec.nt.gov.au) , or alternatively talk to the Council Services Manager in your community.

## WEST DALY REGIONAL COUNCIL Agenda for Local Authority Council Meeting 20 June 2017

I look forward to hearing from you and working with you to assist Council deliver high quality services and support development and employment opportunities for the West Daly region.

### **RECOMMENDATION**

That Local Authority receives and notes the Chief Executive Officer's Report.

## Agenda for Local Authority Council Meeting 20 June 2017

### 12 REGIONAL SERVICE MANAGER'S REPORT

- Meeting Room upgrade has been completed and now waiting on the delivery and installation of Electric Stove. Funding for the stove was approved at Ordinary Council Meeting held on 24 May 2017.
- RSM advised that he had received requests from possible contractors who may be doing the Causeway Upgrade for areas to be set aside within the Community for them to setup their Camp and Store equipment. Possible areas that may be suitable could be near the Gravel Pits. Contractors have also requested access to water during the upgrade and would like to use the Billabong to draw water from.
- RSM advised that there has been a Community Survey box located in the Council Office for suggestions to be included in the Council Regional Plan. It was also requested at the last LA Meeting that LA members canvass their Community Members for suggestions, suggestions received to date are below and these will be included in the Regional Plan:

#### Takeaway

53.33 % - of the responses requested that the current shop be upgraded to supply Takeaway Food. The current shop does not have a licence for takeaway and would also require upgrade of the kitchen facilities. This would need to be discussed with Store Directors and ALPA

#### Swimming Pool

26.66% - of the responses requested that a Swimming Pool be built at Palumpa. This has an overall benefit to the entire community and promotes healthier Communities, there is documented evidence to support the installation of Swimming Pools in Communities and its associated medical benefits. In addition it will also promote safer activities for children instead of swimming in Crocodile infested Billabongs. Palumpa this year has seen the removal of two crocodiles from the very same Billabong that children are swimming in and as recent as two weeks ago an adult male was attacked by a Crocodile in Palumpa. If children are not swimming in Billabongs they are swimming through drain pipes under road Causeways. Promoting a safer and healthier community by installing a swimming pool within Palumpa has strong support from members of the Community. Funding would need to be sourced to install the Swimming Pool and the associated costs of running the pool, including pool attendant staffing.

#### Fencing around Parks

6.66% requested that fencing should be installed around the Park nearest the School. This is to keep larger animals and prevent children from running onto roads and into the path of traffic.

#### Playground Equipment

6.66% - requested new playground equipment. Indicative prices for new playground has been sort in the past and estimates have come back at approx. \$130K

### Lawn Mowing

6.66% - requested that Council mow lawns of Community Members. Council do a one off Lawn Mow for the Community Members at the start of the wet/cyclone season for safety reasons. Council will mow lawns at the request of the Community, but only in line with current charges for providing those services.

- RSM advised that a new NGANMARRIYINGA sign has been installed at the entrance to the Community on Port Keats Rd. It has been requested that a light be installed to display the sign and will be discussed further in this meeting.

### **RECOMMENDATION**

That Local Authority receives and notes the Regional Services Manager's Report.

### 13 SOLAR LIGHTS

Solar lights have been installed in the community and it is now requested by Community Members that additional three additional Solar Lights be installed in other areas of the Community. It is requested that one Solar Light be set aside to display the new Community Sign on Port Keats Rd. A quote to supply and install three Solar Lights has been received from DJ Air and Electrical for \$19085.68, DJ Air supplied the previous Solar Lights for the Community and was the cheapest quote received from the three suppliers requested.

#### RECOMMENDATION

That it be a recommendation to Council that the Local Authority allocate an amount of \$20,000.00 for the supply and installation of 3 solar lights within the community.

### 17 SPEED HUMPS

It was proposed in the LA Meeting held on 20 Jan 2017 that \$15,000 be allocated to supply additional speed humps for the Community. It is expected with the road works in the Community that the installation of Speed Humps should be done once the road works are complete. WDRC Civil Services also have additional speed humps that have not been installed and were previously
