6 REGIONAL SERVICES MANAGER'S REPORTS/ITEMS

6.1 REPORT – REGIONAL SERVICES MANAGER WADEYE

Applicant:	Regional Service Manager
Location/Address:	Darwin Office
Date:	17 th June 2015
Author:	John Allen

4 Positive Outcomes for the month	<ul style="list-style-type: none"> • Structured works crew and program and evidence of that is that the town is looking good. • Established sports and rec program with football and softball having great participation. • Refurbishment of the ablutions block at the main oval. • Dectomax program – the dogs in community are looking healthier.
4 Barriers to Positive Outcomes	<ul style="list-style-type: none"> • A drop in attendance with Bush Holidays and staff wanting to head out to country. • Not having sufficient staff to run programs as staff will be taking staggered leave to spend time with family over the Bush Holidays.
How barriers will be overcome	<ul style="list-style-type: none"> • As mentioned above Staggered leave so that we have suitably skilled staff to run services and programs.

9 HUMAN RESOURCES OFFICER REPORT

Applicant:	Human Resources Officer
Location/Address:	Darwin Office
Date:	17 th June 2015
Author:	Jade Hamilton

SUMMARY

The HR report will provide Council with up to date information relating to employee relations and industrial relations matters throughout the West Daly region.

Head Office

Head office continues to maintain its current personnel. A permanent appointment for the Finance Manager role will continue to be sought, with Clem Barratt filling the role on an interim basis until then.

Council Staffing Levels

- Palumpa has a total of 19 employees, with 9 full time, 1 part time, and 9 casual employees. Palumpa has sadly farewelled Scott Page, who has taken on the role of Community Night Patrol Manager in Wadeye. Scott will be missed, but we are very excited to see him progress in a new chapter in his career at WDRC.
- Peppimenarti currently have 26 employees, with 9 full time, 10 part time and 7 casual employees.
- Wadeye has 44 staff, 22 of which are full time, 15 are part time and 7 are casual. Wadeye welcomes on board our 3 new Night Patrol Officers, Matthew Bunduck, Jeremiah Tunmuck and Romelo Tchernia, along with our new Sport & Recreation Officer, Virginia Gilbert. Wadeye farewells Louise Beilby, who has resigned from her role as Local Authority Coordinator and will finish up on 19th June. Louise has done a fantastic job since she has been on board and we wish her the best of luck in her future.
- Total staff within the Council including Darwin, sits at 94, with 70 (or 74%) being of Indigenous ethnicity.

Currently Recruiting

- Personal Assistant – Darwin
- Night Patrol Team Leader – Palumpa
- Local Authority Coordinator – Wadeye
- Trainee Broadcasting Officers – Wadeye

- Finance Manager – Darwin
- Director of Council Services – Wadeye

Staff Performance & Turnover:

- In the period mid May to mid June, there were 2 resignations and 1 termination.
- Staff attendance is being raised as an issue again in all 3 communities, with several warnings issued for unauthorised absences and one termination being issued.
- Private use of Council vehicles has also been raised by managers within each community and has been addressed with those staff involved.

Staff Training:

- Night Patrol staffs in all 3 communities are continuing on with their Certificate III in Community Night Patrol and attendance has been fantastic across the Council.
- Heavy Rigid vehicle licencing was undertaken during the final week in May, with 7 staff across the Council successfully completing their HR licencing.
- First Aid training was undertaken during the first week of June in Wadeye, with 15 staff completing the course and receiving their Statement of Attainment in Provide First Aid. Thanks to John Rushton from St John Ambulance for facilitating this essential training for our staff.
- The Certificate II in Sport & Recreation is being undertaken by Sport & Recreation staff from Wadeye and Peppimenarti this week in Nauiyu. We thank Bill Adams from CDU for coordinating the training for our staff.

HR Policy Reviews

Policy reviews are nearing completion.

Work Health & Safety

WHS Inductions have been completed by all staff in Wadeye and Palumpa, with only a few Peppimenarti staff still requiring the training. This is a great effort by all involved.

Procurement Policy

POLICY

Procurement

1.2.3

1. SUMMARY

The procurement (or purchasing) policy and procedures contained herein apply to all employees of West Daly Regional Council and represents Council policy.

Overall, Council is committed to carrying out business with its suppliers and clients in an equitable, professional and efficient manner. It is also conscious of the need to support local traders and businesses and those suppliers who, while not resident within the boundaries of West Daly Region, provide services to regional communities.

Sections 28 to 30 of the *Local Government (Accounting) Regulations* apply.

2. DEFINITIONS

A **“contract”** is an agreement between Council and an external supplier for provision of specified work, goods or services.

“Delegations” are the authority given by Council to specific officers employed by Council to make decisions in relation to the negotiation of, or entering into, contracts for the carrying out of work, the supply of goods and services to Council.

“Period Contracts” are specific arrangements with a supplier following their selection by a public tender process. The agreements have specific commencing and finishing dates and are advertised initially with all similar suppliers.

“Preferred Supplier Arrangement” is an arrangement entered into between the Council and a particular supplier for supply of goods or services up to \$100,000 per transaction.

“Purchasing Agreement” is a contract for the supply of goods or services under agreed pricing and other conditions relating to delivery, quality of goods or services or timing. The arrangements are regularly reviewed by Finance.

“Specifications” are a detailed description of the work to be executed, the goods or materials to be supplied or the service to be rendered.

A **“Tender”** refers to a detailed quotation by a supplier of goods or services in response to a general advertisement by Council. A tender includes details of the goods and services to be offered, pricing conditions, delivery terms and quality of the items. Public tenders must be kept in a locked tender box and opened only under specific conditions after the published conclusion date and time has passed.

3. POLICY

3.1 All purchasing arrangements for West Daly Regional Council will be based on the following procurement principles:

- open and effective competition;
- value for money;
- listed Preferred Suppliers;
- enhancement of the capabilities of local business and industry;
- environmental protection;
- ethical behaviour and fair and equitable dealing; and
- advancement of employment opportunities for those residing within Council’s area.

3.2 Council purchasing officers are required to adhere to the following:

Purchase Cost (excl. GST)	Procedure
Up to \$2,000	Direct procurement
Over \$2,001 but less than \$10,000	One quotation (written or verbal) to be sought
Over \$10,001 but less than \$100,000	Three written quotations to be obtained
Over \$100,000	Three tenders to be obtained through open tender

- 3.3 Where a verbal quote has been sourced, details including description of goods or services being purchased, the name and contact details of the supplier and the quoted purchase cost should be recorded by the enquiring employee in the 'comments' section of the purchase requisition within the Technology One system. All written quotations are to be attached to the purchase requisition, as support of complying with policy and legislation.
- 3.4 Where the value of the goods and services is expected to exceed \$100,000, public tenders must be called through Tenderline or public notices in local newspapers, i.e. *Katherine Times* and the *NT News*, and a further notice placed on Council's website. This notice will include:
- a description of the goods or services required;
 - how a prospective tenderer can source specific details of the goods or services required including contact details of the employee handling the tender process;
 - how tenders should be lodged; and
 - the tender closing date and time.
- 3.5 All tenders shall be kept confidential until their official opening and marked accordingly. All tenders delivered, mailed or e-mailed to specified addresses should be received in sealed envelopes (or sealed in the case of e-mails) and lodged in a locked tender box at the Council office. Faxed tenders will not be accepted for security and privacy reasons.
- 3.6 Following the advertised closing date and time of a public tender (Clause 3.5), any tenders received in response to a public advertisement as outlined in Clause 5, shall be opened either before Council itself, a Council Committee established for that purpose or a panel of three (3) members of Council staff comprising one executive member, one Program Manager and a person from Council's Finance area.
- 3.7 Any member of a tender evaluation committee must declare any conflict of interest to a senior manager and, if possible, must not take any further involvement particularly with tender assessment.
- 3.8 If, following tender evaluation, no tender is acceptable in its presented form, negotiations will be conducted with any/all of the tenderers with preference being given to the highest assessed tenderer.
- 3.9 In the event that a tender called for in Clause 3.5 is accepted, Council must advise the outcome in writing to all tenderers and publish on Council's website.
- 3.10 Public tenders will include details of where full specifications can be obtained, closing date and lodgement of tenders and contact point for queries.
- 3.11 The tender period will only be extended if there is a late or complex addendum to the specifications or if the original period specified is determined by Council to be insufficient for contractors to obtain prices from suppliers or subcontractors. When there is a late addendum, tenderers should note on their tenders that they have taken this addendum into account.
- 3.12 The report prepared for Council following the opening of tenders, especially when the proposed expenditure is outside the Chief Executive Officer's delegation, will outline the tenders received, a comparison of prices and performance reports, results of any interviews and reference checks, financial considerations and recommendation.

- 3.13 Quotations or tenders are not required for the purchase of land, a consultancy or other professional service, travel and accommodation or in any instance where the Minister dispenses with the requirements under Section 30 of the *Local Government (Accounting) Regulations*.
- 3.14 Similarly quotations are not required to be sought if the supplies or services are to be obtained from a supplier or contractor who has a similar contract with
- the Northern Territory Government;
 - the Commonwealth Government;
 - a State or another Territory;
 - another Council*;
 - a local government subsidiary*;
 - Local Government Association of NT (LGANT)*.

*subject to conditions of Regulation 30 (3) of the *Local Government (Accounting) Regulations*

- 3.15 Local Buy is a part of the National Procurement Network to which LGANT is a member. Therefore if Council purchases through Local Buy, it is not obligated to apply public tender requirements in Clause 3.2
- 3.16 Under no circumstances are orders to be split so that the total value of the order falls under the amount of the individual's delegated authority or reduce the value of the purchase to a level where written quotations are not mandatory. This would be considered as violating Council's Fraud and Corruption Policy and could result in deferment of the purchase until an investigation can be completed.
- 3.17 Council employees are particularly instructed to always consider local traders and businesses and those suppliers who, while not resident within the boundaries of West Daly Region, provide services to regional communities within it.

3.18 Financial delegations covering purchases are:

Function	Amount and/or Qualification (Where applicable)	Delegated Authority
Approve Purchase Orders	For goods and service/s within directorate and approved budget up to \$5,000	RSM
	For the organisation assets, goods and service/s within approved budget up to \$50,000	Director Corporate Services
	For the organisation assets, goods and service/ up to \$100,000 within Budget	CEO
	Over \$100,000	Three tenders to be obtained through open tender

(Refer also to Policy #3.1.8 – HR and Finance Delegations).

WEST DALY REGIONAL COUNCIL Agenda for Council Meeting 17th June 2015

14.2 ANNUAL PLAN

Applicant:	Local Authority Coordinator
Location/Address:	Wadeye Office
Date:	17 th June 2015
Author:	Louise Beilby

SUMMARY

Consideration by Council of the 2015-2016 Annual Plan incorporating annual Service Delivery Plan and annual Budget for adoption and submission to the Department of Local Government and Community Services.

BACKGROUND

The *Local Government Act* (the Act) and the *Local Government Administration Regulations* requires local governments to undertake planning and reporting. This includes long-term Strategic and Financial Plans, and an Annual Regional and Service Delivery Plans and associated budget.

COMMENT

The current 2014-2018 Strategic Plan was adopted by Council in the transition phase to the commencement of the West Daly Regional Council on 1st July 2014.

CONSULTATION

West Daly Regional Council contracted Jeff Jenkins and Rodney Donne to review the 2014-2015 Plan and develop the 2015-2016. Pursuant to section 24(2)(c) of the Act, the Draft Plan was open for public comment. The twenty-one (21) day submission period closes on 16th June 2015. Any comments received by Close of Business will be submitted to Council.

STATUTORY ENVIRONMENT

Adoption of Regional Plan pursuant to Section 24(1) of the Act.
Adoption of Annual Budget pursuant to section 128 (1) of the Act.

POLICY IMPLICATIONS

14.3 HOMELANDS SEPTIC UPDATE

Applicant:	Regional Service Manager
Location/Address:	Wadeye Office
Date:	17 th June 2015
Author:	John Allen

SUMMARY

To provide a report on the Septic situation on the outstations.

BACKGROUND

Over the last year a multitude of works has been completed with the septic systems on the homelands.

Uminyuluk – Septic pits have been inspected and revitalising treatment is done on an on going preventative maintenance program through out the year.

Deleye – Septic pits have been inspected and revitalising treatment is done on an on going preventative maintenance program through out the year.

Mulingi – Septic pits have been inspected and revitalising treatment is done on an on going preventative maintenance program through out the year.

Merrepen – Septic pits have been inspected and revitalising treatment is done on an on going preventative maintenance program through out the year. In the low lying areas towards the bore two houses are susceptible to water table back up through the septic system, with a possibility of the system to overflow. The ESO is investigating on how to resolve this problem.

Nemarluck – Last year \$16,000 was spent on an absorption trench and septic clean out. The ESO also carries out regular inspections and revitalising treatment.

Wudapuli – The septic system is in good running order and the ESO carries out regular inspections and revitalizing treatment.

Nama – Nama's septic systems is in good running order and are maintained by Power and Water.

Kuy – The grey water sumps had been filled with rocks at one house so the ESO is fabricating cages to prevent this being an ongoing issue. Apart from this issue the septic system is in good running order and inspections and revitalising treatment is being implemented.

Old Mission – The septic on the main ablutions block was vandalised and inspection covers were broken. Also the grey water drains into the main discharge pipe to septic tank had been burnt out due to fire. The ESO had found that someone had put a bicycle into the pit. These were replaced and bollards were concreted in to protect the absorption trench from collapsing. The ESO cleaned and flushed tank and replaced covers. This system is now back in good running order and revitalising treatment is being implemented.

Fossil Head – The septic system at fossil head is in good working order and revitalising treatment is being implemented.

COMMENT

At this stage disposal is not necessary as the revitalising treatment has a biological action which breaks the affluent down. Council will look into getting quotes on an affluent vac trailer for possible future blockages and overflows.

WEST DALY REGIONAL COUNCIL Agenda for Council Meeting 17th June 2015

15 LOCAL AUTHORITIES

Applicant:	Local Authority Coordinator
Location/Address:	Wadeye Office
Date:	17 th June 2015
Author:	Louise Beilby

SUMMARY

Local Authority Coordinator report for the Ordinary General Meeting being held on Wednesday 17th June 2015.

This is the final report from the current Local Authority Coordinator who has resigned effective 19th June 2015.

LOCAL AUTHORITY COORDINATOR (LAC) REPORT 18th March 2015

The LAC report will provide Council with up to date information relating to activities and actions being undertaken to deliver on the Local Authority Strengthening Funding 2014/2015.

LOCAL AUTHORITY TRAINING

The Department of Local Government and Regions supported Ambrose Training to develop and deliver training materials. The material needs revising, and it was requested that WDRC provide graphics and content, however instructions were to not progress further.

LGANT delivered training to all 3 Local Authorities, which were well attended. Both training provided overview of local government and role of the LA. Specific training needs (e.g. Chairing a Meeting, Minute Taking etc.) has been identified and included in the revision to the KPI's of the Coordinator's job description.

LOCAL AUTHORITY SUPPORT TRAINEE

The Local Authority Support Trainee position has been re-advertised for a second time. The LAC met with RJCP to discuss the position. As of closing date no referrals or applications have been received. This position will stay open. However this will need to be re-

MEETINGS

It is acknowledged that the number of meetings required to be held by each LA may not be compliant with the Act by end June 2015 and this will be for various reasons. However this report includes a comparison of attendance between the LA's and shows a reasonably high level of

attendance and participation. This comparison will be useful as providing information for reporting purposes and setting a benchmark for growing the Local Authorities.

Peppimenarti Local Authority, through the RSM, met on 7 April 2015. Minutes are attached. The LA raised concerns regarding Council response to LA. Improved coordination between the governance of the Council meetings and the LA have previously been discussed by the LAC and procedures have been put in place to improve this.

On a positive Peppimenarti LA have consulted and resolved on street names for the Community and Annunciata and Malcolm Wilson as well as other members should be acknowledged for the hard work they have put in to finish this project. Street names are attached for Council endorsement before submitting to the NTG Place Names Committee. Submissions to the Committee close on 24 July 2015 for consideration on 7 August 2015.

Palumpa LA met on 8 April 2015. Minutes are attached. There are still some projects outstanding, but these will be finalised with continued support. The RSM is supporting the LA by identifying savings in projects allowing LA project funding to be utilised in other areas. It should be noted that the LA has asked for specific improvements at the Cemetery which is reliant on the agreement with the NLC and also not consistent with priorities identified in the four year plan. This will need to be discussed further.

The Palumpa LA met on 3 June 2015. A quorum was not reached. However information was provided to the Local Authority on behalf of Power Water Corporation. The members present also discussed current membership and confirmed names of members that are no longer living in community. Their removal due to non attendance will need to be resolved at the next meeting and then forwarded to Council for endorsement.

Wadeye LA met on 21 April 2015. Minutes are attached. There have been issues with cancelling meetings due to other community events and lack of quorum but have been supported to attend. However they are making some strong decisions and involvement should increase when projects start happening on the ground.

The LA met again on 4 June 2015. A quorum was not reached, however information on the Power Water Corporation meter change was provided, and LA members discussed and provided feedback. The members present also discussed current membership and have recommended that two members are removed for breach of Code of Conduct and one member is replaced due to serious health issues. This will need to be resolved at the next meeting and then forwarded to Council for endorsement.

On a positive note some projects funded by the Local Authority have been completed and members are keen to be involved in a "good news story".

The Wadeye Emerging Leaders (Young Men) group was formed in early May, and the LAC was invited to attend their first meetings to help with understanding of government, Council and the Local Authority. The Emerging Leaders group are interested in learning and being involved with the

Local Authority, and the same involvement will be offered to the Emerging Leaders (Young Women) group when that is formed.

PLANNING

WDRC endorsed a Regional Strategic Plan for the period of 2014-2018 as part of the transition phase. This is a requirement of the Act.

The revision of this document by Jeff Jenkins and Rodney Donne focused on an Annual and Service Delivery Plan for 2015-2016 only.

Community priorities and year allocations will be need to be revisited with Local Authorities and RSM's when discussing LA projects.

REPORTING

No additional report to the Northern Territory Government has been required during this period. A final report to the Chief Executive Officer will be provided before the current Local Authority Coordinator ceases employment on 19 June 2015.
